I would recommend this school to another parent

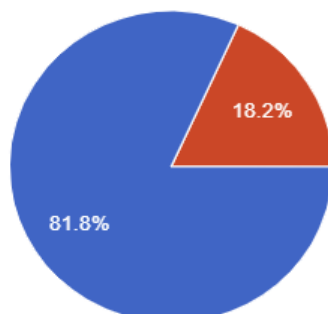

This school meets my child's particular needs

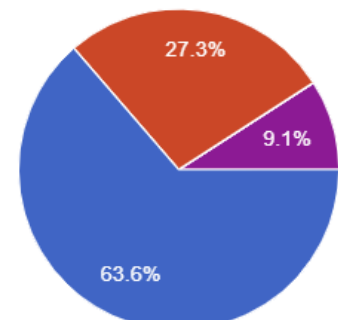

This school ensures my child is well looked after

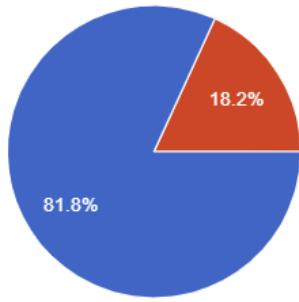

My child is taught well at this school

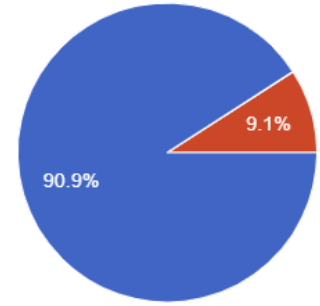

Behaviour at this school is good

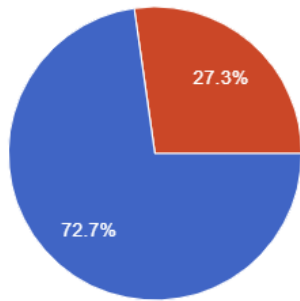

I feel confident that I know what my child is learning at school

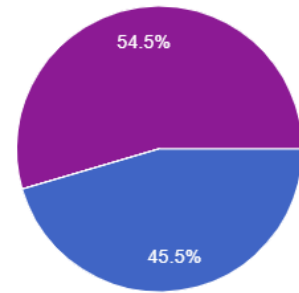

My child enjoys their lessons

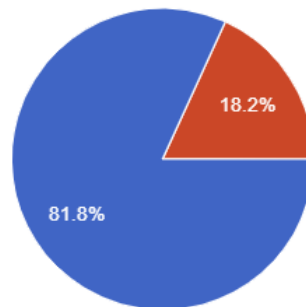

The school helps me as a parent to support my child's learning

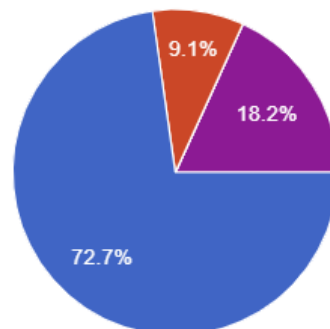

This school deals with any cases of bullying effectively

This school helps my child to develop skills in communication, reading, writing and mathematics

The school responds effectively and swiftly to any concerns I may have

### Some of the Strengths Shared by Families:

- Ways of learning are very good
- Lovely friendly staff. Nurturing environment. Opportunities for children to learn in different ways-visitors into school and trips. Good at communicating.
- I always feel like I know what is happening with my child at school, I'm always well informed and reassured.
- Child focused.
- My child's teacher has clearly taken the time to get to know the children as individuals and is teaching and nurturing them accordingly. Communication is excellent and all staff are very friendly and helpful. My child is very happy at school and has learnt so much already!
- Excellent leadership.
- We really appreciated the 'Stay and Play' sessions in Summer 2 and the family meeting- the whole transition to F2 suited our child perfectly and helped her settle better than we could have ever expected.
- Calm & caring staff that are nurturing our child. We are so pleased with how her confidence has soared!
- Phonics and reading teaching is clearly excellent as my child's reading, letter formation & writing is amazing! Math's is excellent too-I can see she is mastering maths as she has told us all her bonds up to 4!
- Communication is excellent.
- The Welcome to F2 & curriculum meetings were very informative. ParentMail is great. We feel very well informed.
- Parents' Evening was well timed at the beginning of Autumn 2 and our child's teacher knows our daughter so well despite her being 1 of 30!!
- Communication is good, lots of fun days e.g. odd socks, children in need etc. to raise awareness, the children are lovely, staff seem happy and approachable.
- Brilliant teachers

### Areas That Our Families Feel School Could Improve Further

<u>Comment:</u>	<u>Response/Action:</u>	<u>Target Deadline:</u>
A more secure platform than Twitter for sharing images and school/class stories (e.g. Class Dojo) that isn't open to the public.	This is a great suggestion and it will be discussed by governors and our computing provider. All families will be consulted before any changes are implemented.	February 2023
I was disappointed to see that on the trip the children were asked to take lunch in a plastic bag with two disposable plastic drinks... I would prefer to take lunch in a box and a refillable water bottle although I understand this is not as easy as throwing things away.	We completely agree and will look at ways to both protect our environment and ensure that children/staff do not need to carry lunch boxes with them on trips.	December 2022
Being more reasonable when allowing children to go on trips of a lifetime to Lapland for Christmas!	As a local authority school, we are required to follow the attendance policy from Wirral Council. Only holidays that are unavoidable are permitted to be authorised.
