## 1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

## 2. Legislation and guidance

This policy is based on the pupil premium allocations and conditions of grant guidance 2022 to 2023, published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on virtual school heads' responsibilities concerning the pupil premium, and the service premium.

## 3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

## 4. Use of the grant

Brackenwood Infant School is dedicated to ensuring that all children are provided with equal education opportunities regardless of economic status.

We target the strategic use of Pupil Premium funding to support us in achieving our vision of diminishing and gap caused by deprivation.

We will do this by:

Ensuring our curriculum meets the needs of all pupils providing them with an excellent education.

Where children need interventions, these will be appropriate and will help close the gap.

Using pastoral support to assess and support pupil social and emotional well being and resilience.

In order to achieve the above the school will continue to use research informed approaches in order to close the attainment gap created by economic factors. These approaches are highlighted in the school's Pupil Premium Strategy.

As part of the school's Pupil Premium Strategy, the school's leaders clearly identify how the EEF's 3 tiered approach is used to develop and enhance the support that all children at the school receive, including those who are eligible for pupil premium funding.

The areas of the Three Tiered Approach are to:

- Support the quality of teaching, such as staff professional development;
- Provide targeted academic support, such as PPAR (Pupil Progress and Attainment Review) Plans.
- Tackle non-academic barriers to academic success, such as attendance, behaviour and social and emotional support

Our use of the pupil premium funding aligns with the DfE's 'menu of approaches' and the Pupil Premium Strategy will:

- Consider the context of the school and the main challenges or barriers facing our disadvantaged and vulnerable pupils, and list some of these if appropriate.
- Use evidence, such as learning from what works in our school, to inform decisions on pupil premium spending.
- Address a wide range of needs, and take group and individual needs into account.
- Engage with parents to take their views on their child's needs into account.
- Make sure the school uses its pupil premium as effectively as possible (for example, taking into consideration which interventions will be the most beneficial for your pupils, based on evidence)
- Integrate pupil premium interventions into the curriculum.
- Make sure all staff promote the principles and ethos of the pupil premium strategy.

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra 1-to-1 or small-group support
- Purchasing research driven schemes or teaching resources.
- Paying for extra support staff
- Funding educational trips, visits and/or clubs.
- Funding English classes for children who speak another language

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

## **5. Eligible pupils**

The pupil premium is allocated to the school based on the number of eligible pupils in F2, Year 1 and Year 2.

Eligible pupils fall into the categories explained below.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

### **5.2 Looked-after children**

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day. ### **5.3 Post looked-after children**

Pupils recorded in the most recent October census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.
