

At Brackenwood Infant School we define our subject experts in the following ways:

Art		Artists use their knowledge to express themselves through drawing, painting, collage or sculpture.
Computing		Computing experts use their knowledge to use computers to create programs, systems and a range of content.
Design Technology		Designers use their knowledge to design, make and evaluate products that solve real life problems.
Geography		Geographers use their knowledge to understand, describe and explore the world around them through the use of maps, fieldwork and other pieces of evidence.
History		Historians use their knowledge to understand the past, ask questions about it and make connections with it through the use of artefacts and other pieces of evidence
Music		Music experts use their knowledge to think as musicians, appreciating the ways in which music can bring joy to our lives, both in performance and though listening to many genres.
PE		PE experts use their knowledge to become confident with health and fitness and succeed in physical and competitive activities or sports.
Science		Scientists use their knowledge to find out how and why things happen and will use investigations / hands on experiences to understand things better and make predictions.
