

The Wider Curriculum at Brackenwood Infant School

The '**Mountain Range**' is the National Curriculum.

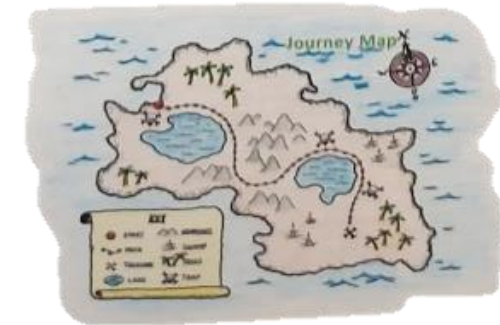

The '**Mountain to Climb**' is the context through which we deliver the National Curriculum.

The '**Walking Boots**' – National Curriculum or EYFS objectives the children are going to be focusing on (**the left boot**). The subject expertise (*technical and disciplinary knowledge*) that the children are going to be using (**the right boot**).

The '**Knowledge Rucksack**' - into the rucksack goes the knowledge (*substantive*), including vocabulary, that we want our children to retain from each context taught.

The '**Journey Map**' is our medium term plan for how we are going to teach the knowledge and expertise for each context.
